

POWERFUL, CUSTOMIZABLE, SIMPLE

The perfect point of sale system for your growing business

The HIOPOS system is a powerful tool that can streamline your business. With many of the features commonly found only in more complex solutions, this unique point of sale system is the perfect fit for your business.

Eliot's POS is extremely user friendly and easy to master. It is fully formatted and ready to go, right out of the box and the installation wizard makes getting started a breeze.

INVENTORY CONTROL

Preloaded with templates for a variety of business types. Adding new items is simple.

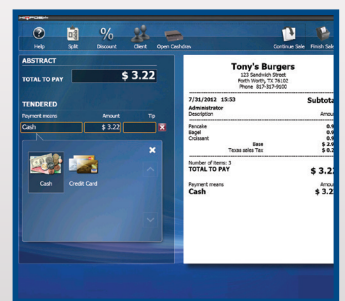

IN-DEPTH REPORTING

Reports are available for any given period of time and include number of sales, average sale and sales by payment type.

INTUITIVE TRAINING MODE

A simple training mode makes the HioPOS easy to navigate.

MARKETING MACHINE

Print coupons, specials and incentives right on your receipts to keep customers coming back.
