

Eliot Management Group offers electronic based payment services, check acceptance protection and gift card programs to thousands of businesses nationwide. We also provide terminal sales, leasing, and installation. Our unique cash advance program provides businesses with access to fast capital, and our reporting options make it easy for you to track and analyze sales. We maintain personalized, one-on-one relationships with all of our merchants, providing them with on-demand support and 24/7 customer service.

TERMINALS

With both countertop and mobile options, Eliot has the terminal that is right for your business.

SERVICES

Credit, debit, check, gift card and cash advance programs help you grow your business.

ONLINE

When you need an online presence, Eliot will help you build a store and accept payments online.

Eliot addresses the needs of our customers by offering the best combination of electronic payment solutions, local one-on-one support, superior processing performance, and comprehensive customer service. Eliot provides assistance through our national sales offices located across the country, and our 24/7 customer service center.

Credit and Debit Acceptance

Accepting credit cards is important to your business. Eliot offers competitive rates with the most dependable and secure processing available.

Check Acceptance

Consumers still use checks. Eliot can alleviate the worry of accepting them with check protection, guaranteed payment and electronic check conversion.

Cash Advance

Cash Advance is an excellent alternative to a traditional loan.

Gift Cards

Gift cards are excellent marketing tools that drive customers to your business, can be reloaded and customized.

HioPOS

User friendly and easy to master the HIOPOS is a powerful, yet budget friendly, point-of-sale system.

Oceano and Oceano Mobile

Processing at your business or on the go, the Oceano line is powerful and secure.

M+Terminal

When you want to use your phone to process payments on the go, the M+ terminal is the perfect solution.

Online

Preloaded templates and a user friendly drag and drop interface makes setting up your site quick and easy.
